**Re: King v. Mount Sinai Health System**  
**7:18 Civ. 12003 (NSR)**

Dear Judge Román:

On behalf of our client, The Mount Sinai Health System ("Defendant"), we write to request an extension of time to file an amended Proposed Case Management Plan with the Court, currently due on September 10, 2019, to September 26, 2019. As the Court is aware, the parties participated in a mediation session on August 19, 2019, during which the parties and mediator agreed to reconvene on September 19, 2019 to further discuss and possibly finalize settlement terms. Given the upcoming second mediation session, Defendant requests that the parties submit an amended Case Management Plan the Court one week after the second mediation date pending the outcome of settlement discussions.

This is the second request for an extension of time to file a revised Case Management Plan, the first of which the Court granted on August 6, 2019. Defendant attempted to reach Plaintiff regarding this request but was unable to do so.

Please feel free to contact us with any questions.

Respectfully submitted,

Rory J. McEvoy
